We pledge to make a difference as a society for women who care enough to extend themselves beyond the limits of their own personal world to assist in the world's greatest philanthropy, Shriners Hospitals for Children[®]

We can start by involving eligible members of our families and leaving a wonderful Legacy for them and Daughters of the Nile.

DAUGHTERS of the NILE LEGACY PROGRAM

Handing down our fellowship and love
through generations.

DON LEGACY Program: Creating Lasting Love

In addition to assisting the Shriners in maintaining Shriners Hospitals for Children® and providing for the needs of patients, the Daughters of the Nile exists to provide friendly fellowship and an atmosphere in which we advance the elevation of womanhood. There is no better way to do this than to include our families: mothers, daughters, granddaughters, sisters, sisters-in-laws, step-daughters, aunts, nieces and cousins. Any female related by birth or marriage qualifies!!

Don't be shy! Show off your generations of Nile and celebrate them as a glowing testimonial for fraternal love.

Registering your legacy is easy! You can register your LEGACY two ways.

Contact your Temple Recorder OR access the daughtersofthenile.com homepage, select Supreme News, Membership Committee and then Legacy.

You will need to have information on each person in your legacy: Name, Temple, Initiation year and whether she served as Queen and year. Be sure to have that information before starting the registration process.

Submit photos if available. They will be made into a collage.

Each living person in your LEGACY line will receive a Legacy Pin and a LEGACY Certificate.

Only one person in a family needs to register members for the LEGACY process. As family members are initiated into our beautiful order, they can be added to the existing legacy and receive a pin and certificate.

Legacies will be Celebrated!!

Think of the fun you will have when your LEGACY is presented during your Temple's Session. All Ladies of the Household can enjoy celebrating your family and its contributions to Daughters of the Nile.
